# SULEMAN DAWOOD SCHOOL OF BUSINESS

***Developing Ideas and People to Shape Business and Society***

Founded in 1985 as a not-for-profit, LUMS has pioneered innovative educational trends. The expanse of research and teaching at LUMS offers its community 'Learning Without Borders' by breaking academic, geographic, and socio-economic barriers to enhance students' academic exposure and make education accessible to all.

The Suleman Dawood School of Business (SDSB) at LUMS is the first business school in Pakistan to achieve AACSB International accreditation (2019), placing it among the top 6% of business schools worldwide. In 2024, AACSB renewed SDSB's accreditation, reaffirming the high quality of its academic programmes in line with global best practices in business education. As a pioneer in case-based teaching in the region, SDSB has the distinction of holding Pakistan's largest collection of business case studies. With a focus on providing thought leadership and driving societal change, SDSB prepares graduates with the skills and competencies to impact practice and excel in today's dynamic business environment.

# WHY MS HEALTHCARE MANAGEMENT AND INNOVATION AT LUMS?

- **Designed for Healthcare Professionals:** Developed to ensure the work-life balance of healthcare professionals, classes on alternate weekends allow for a seamless balance between career and studies.
- **Case Method Learning:** Courses are taught using the case method to mirror real-world hospital scenarios, enabling the application of theoretical knowledge to address current challenges.
- **Professional Networking and Mentorship:** Build valuable connections with fellow professional students, industry leaders, and experienced faculty. Engage in a collaborative environment that fosters lifelong professional relationships.
- **Opportunity for Real-World Application:** Apply classroom learning in real-world environments through project internship at a healthcare organisation—an opportunity that often leads to job offers.
- **Comprehensive Curriculum:** Dive into a curriculum that covers healthcare policy and operations, marketing, finance, quality improvement, leadership, and innovation.
- **Focus on Emerging Trends:** Gain insights into the latest trends and opportunities within the healthcare sector, positioning yourself as a market leader and innovator in delivering patient-centric and profitable services.

# MS HEALTHCARE MANAGEMENT AND INNOVATION

In a competitive market, healthcare leaders need strong business acumen to drive growth and deliver quality care. The 1.5-year weekend MS in Healthcare Management and Innovation (HMI) programme is designed to equip professionals with the skills to lead and innovate in the healthcare sector. Through the case method, this programme provides essential knowledge in healthcare policy, finance, quality improvement, and leadership. Led by experienced faculty and industry professionals, students gain practical skills and a strategic mindset to tackle real-world challenges. Whether you're a hospital administrator or a medical practitioner, MS HMI will empower you to excel in healthcare management and make a lasting impact.

MS HMI '23

Healthcare Management Consultant  
Doctors Hospital

“The MS Healthcare Management and Innovation programme equipped me with the skills to identify and solve bottlenecks in various healthcare processes, enhance patient care, efficiently plan and execute projects, and manage diverse teams effectively. This degree has improved my capabilities as a healthcare manager and opened up multiple opportunities for advancement in the field.”

## FINANCIAL SUPPORT

- 50% tuition fee waiver is offered to women admitted on high merit under the SDSB Women's Scholarship initiative.
- LUMS Financial Aid (for local applicants only) aims to reduce financial barriers to higher education, nurturing an inclusive and vibrant community where academically distinguished students can realise their full potential and achieve their professional aspirations. At the graduate level, financial aid is provided in the form of an interest-free loan.
